

# Teen TRENDS

FARIBAULT  
DFC  
DRUG FREE COMMUNITIES

Often teens in our lives leave us scratching our heads wondering, "Why do they act that way?"  
During this session, Dr. Ken Winters will examine youth thinking and behavior as it relates to

## Adolescent Brain Development

We hope to increase our understanding of the way youth are wired so we might better engage them in learning environments, structured activities, and personal relationships.

Tuesday, March 16, 2010

11:30 a.m. - 1:00 p.m.
